

EAA 863 Original Charter - 1986

EAA Chapter 863 was formed February 13, 1986. We received our charter on November 3, 1986. There were between 30 and 40 people who showed up at the initial meeting to form our chapter.

Officers elected that night were:

President – Robert Redmon
Vice President – Rodney Wagner
Secretary/Treasurer – Lucinda Mosley
Newsletter Editor – Michael Robinson

The chapter application required 10 EAA members in good standing to form a provisional chapter. The first 10 members to sign, in order, were:

Ken Poley - EAA # 37175
Richard Mick - EAA # 160961
John J. Tomlinson - EAA # 5801
Wayne Meador - EAA # 248998
Michael W. Robinson - EAA # 119562
Douglas L. Smith - EAA # 221694

Robert Redmon - EAA # 61533
Lee Allen - EAA # 223479
Lynn Crook - EAA # 258858

Since the room was filled with many more aviation enthusiasts, and all wanted to be considered charter members, an addendum was added to the application with the following members:

Bob Clowder
Rod Wagner
Paul Rotenberry
Dave Lavie
Kevin Lasater
Ted Beckwith
Terry Sague
Bill Mitchell
Bill Martin
Myron Lasater
Cindy Mosley
